

Trumpet Fanfare

Entr'acte from the musical *John Paul Jones*

Julian Wagstaff / Simon Hanson

The popular trumpet fanfare from the musical *John Paul Jones* opens the second act of Julian Wagstaff's stage show, as the curtain opens on the Palace of Versailles, France.

The highly practical performance edition, which is now available to purchase from the Sheet Music Plus website, includes the full orchestral score of the fanfare, plus the individual bandparts and a piano reduction.

This covers everything you need to include the piece in your wedding, birthday celebration or other special occasion.
